

The 2023 Pay for Quality Program

The Meridian Medicaid Plan (Meridian) Pay for Quality (P4Q) Program is a pay-for-performance incentive program for our contracted providers. We reward our partners in care for delivering quality preventive healthcare services such as immunizations, well-child visits, and prenatal care to members.

Please see the following grid as a quick reference to the 2023 Meridian P4Q incentives for Primary Care Providers (PCPs). Please contact your Meridian Provider Relations Representative at ILProviderRelations@mhplan.com or our Provider Services Department at 866-606-3700 with questions. PCPs can also login to the [secure provider portal](#) to view updated performance data, target percentile status, and payments earned year to date.
