

CPT®90677 Denying Incorrectly

Date of notice: 01/03/24

Meridian has identified an issue where CPT®90677 is denying EX1K (CPT Code is not valid for age of patient). Per HFS CPT 90677 is a covered benefit for adults and children. Claims for children ages 0-18 are covered under Vaccines for Children and will reimburse at the administration rate. Claims for adults will reimburse as outlined on the practitioner fee schedule. The system is being updated and incorrect denied claims will be reprocessed with no further action by the provider.
