WELCOME TO MERIDIANHEALTH

We welcome you and your family to MeridianHealth. We provide convenient, quality healthcare benefits.

Find a Provider

This is your Provider Directory. We partner with doctors and other healthcare providers throughout the state. In this book, you will see information about providers near you.

Questions?

We're here to answer any questions you may have. Call **866-606-3700 (TTY: 711)**, Monday through Friday, 7 a.m. to 5:30 p.m. CST.

If you need them, interpreter services are available at no cost. Call 866-606-3700 (TTY 711).

We can:

- Provide more information about your benefits
- Help you find a primary care provider (PCP)
- Change your PCP
- Offer basic plan information
- Send you a new Meridian ID member card or handbook
- Change your address or phone number
- File a complaint

Please have your Illinois Medicaid ID number ready when you call.

Provider Network

A Provider Network is a list of the providers, specialists, hospitals and other providers we have contracted with to provide your care.

Our Provider Directory lists providers in our network and includes:

- Provider name
- Gender
- Group affiliations
- Address
- NPI
- Website
- Phone
- Cultural training completed (yes/no)
- Hours
- Languages spoken
- Certifications
- Accessibility

You must go to providers in our network. If there is not a provider in our network to deliver the service, you may see an out-of-network provider but you must get an approval first.

Call Member Services at **866-606-3700** to get help with an approval. We must adequately cover these out-of-network services in a timely manner. We should be able to provide them and ensure that the cost is no greater than it would be if the service was provided in-network.

Your PCP and Services

We believe the best way for you to have good health is to develop a strong relationship with your PCP. That is why you, and any of your family who are members of MeridianHealth, need to choose a PCP.

When you need care, start with a call to your PCP for an appointment. Tell your PCP's office you are covered by MeridianHealth. If needed, your PCP will make a referral for specialized care. It's that simple.

You can choose one of these providers as your PCP:

- General provider
- Family provider
- Nurse practitioner (nurse with special training)
- Physician assistant (supervised by a provider)
- Internist (provider for adults)
- Pediatrician (provider for children/teens)
- OB-GYN (provider for women)
- FQHC or RHC
- Other specialists based on medical necessity

PCP services may include:

- Routine exams
- Diagnostic tests
- X-rays and lab tests
- Immunizations
- Allergy treatment and testing
- Wellness services

Taking Care of You and Your Family

Some of our many benefits include:

- No copays, deductibles or out-of-pocket costs for covered services
- A large network of pharmacies - including Walgreens
- Dental care for adults
- Behavioral health/substance abuse services
- Free routine and non-emergency transportation for health needs
- A nurse advice line for medical guidance and support
- Telehealth—visits with providers on your phone or computer
- Vision coverage for members under 21

Please note, some benefits may require your doctor to get a prior authorization.

Accessibility Information

Below is information used in the provider directory to indicate accessibility at a provider office or building site. This information is not a promise that every doctor will always have the access that you may need. If you have a disability, you should call the doctor's office to talk about your access needs.

Accessibility Requirements:

All Criteria Met: if the provider meets all (49) Critical Elements (CE) for disability access in four (4) main areas: Parking, Exterior Building, Interior Building, and Programmatic Access.

Some Criteria Met: if the provider does not meet 1 or more of the CEs.

No Criteria Met: if provider reports having no disability access for all of the CEs.

Details Pending: if there is no data to support any of the 4 main areas.

Indicator	Definition	Criteria
P	Parking	Parking spaces and van-accessible space(s), are accessible. Curbs to on-site parking, public transportation, and the side walk at the site entrance have curb ramps.
