Meridian Medicaid Plan
Region 3: Southern Counties

Welcome to Meridian Medicaid Plan

We welcome you and your family to Meridian Medicaid Plan (Meridian). Meridian has convenient, quality healthcare benefits.

Find a Provider

This is your Provider Directory. We partner with doctors and other healthcare professionals throughout the state. In this book, you will see information about providers near you.

Questions?

We're here to help. Call **866-606-3700 (TTY: 711)**, Monday through Friday, 8 a.m. to 5 p.m.

If you need them, interpreter services are available at no cost. Call 866-606-3700 (TTY 711). **Please have your Illinois Medicaid ID number ready when you call.**

We can:

- Give you more information about your benefits
- Help you find a primary care provider (PCP)
- Change your PCP

Provider network

Our provider network lists the providers, specialists, hospitals, and other facilities we contract with for your care.

Our Provider Directory lists providers in our network and includes the following:

Provider name	Gender
Group affiliations	Address
NPI	Website
Phone	Cultural training completed (yes or no)
Business hours	Languages spoken
Certifications	Accessibility

You must go to providers in our network. If there is no provider in our network to deliver the service, you may see an out-of-network provider, but you must get approval first.

Call Member Services at **866-606-3700 (TTY: 711)**, Monday through Friday, 8 a.m. to 5 p.m., to get help with an approval. We must adequately cover these out-of-network services promptly. We should be able to provide them and ensure that the cost is not greater than it would be if the service were in-network.

Your PCP and services

We believe the best way for you to have good health is to develop a strong relationship with your Primary Care Provider (PCP). That is why you and any of your family members covered by Meridian Medicaid Plan must choose a PCP.

When you need care, call your PCP for an appointment. Tell your PCP's office Meridian covers you. If needed, your PCP will make a referral for specialized care.

You can choose one of these providers as your PCP

- General provider
- Family medicine provider
- Nurse practitioner (nurse with special training)

Accessibility Information

Below is the information used in the provider directory to indicate accessibility at an office or building site. This information is not a promise that every provider will always have the access that you may need. If you have a disability, you should call the provider's office to discuss about your access needs.

Accessibility Requirements

All Criteria Met: If the provider meets all (49) Critical Elements (CE) for disability access in four (4) main areas: Parking, Exterior Building, Interior Building, and Programmatic Access.

Some Criteria Met: If the provider does not meet one or more CEs.

No Criteria Met: If the provider reports having no disability access for all CEs.

Details Pending: if no data supports any of the four main areas.

Indicator	Definition	Criteria
P	Parking	Parking spaces and van-accessible space(s) are accessible. Curbs to on-site parking, public transportation, and the sidewalk at the site entrance have curb ramps.
EB	Exterior Building	There is an accessible ramp to the building. Curb ramps and other ramps to the building are wide enough for a wheelchair or scooter. There are handrails on both sides of the ramp. Doors are wide enough for wheelchairs or scooters to enter, and the doors have easily opened handles.
IB	Interior Building	Doors are wide enough for a wheelchair or scooter and have handles that are easily opened. There are interior ramps that have handrails. If an elevator is present, it must be free for public use. The elevator has easy-to-hear sounds and Braille buttons within reach. The elevator is large enough for a wheelchair/scooter to turn around. The restroom is accessible, has doors wide enough for a wheelchair or scooter, and is easy to open. Offices have accessible equipment and clear space where the equipment is for side transfers by wheelchair or scooter users. Lift equipment exists when needed. If the office has a chair lift, it can be used without help.
PA	Programmatic Access	Programmatic access includes but is not limited to accessible communication and materials in other formats given promptly. The staff helps with follow-up visit planning and additional disability-related support (people with disabilities who cannot wait in the waiting room are seen promptly).
~	Rx	This pharmacy can provide an extended day supply
+	New patients	The physician is currently accepting new patients
#	Existing only	The physician is currently accepting existing patients only
*	No patients	The physician is not currently accepting patients
	Bus route	The provider indicated this location is on a bus route

Meridian Medicaid Plan cannot guarantee the accuracy of provider self-reported disability access information as the health plan has not verified it through an in-person Accessibility Site Review (ASR). Members are encouraged to contact the provider in advance to ask about disability access and to contact the health plan immediately if the self-reported information is inaccurate.
