

**Maternal Child Add-On Not Paying Correctly**

**Date of notice: 5/29/25**

Meridian has identified an issue where the MCH add-on was not loaded for some NPIs. The Meridian system is set up to apply the Maternal and Child add-on when the MCH indicator is on the state file. The impacted dates of service are 5/1-5/1/2025. The system has been updated, and all impacted providers and underpaid claims will be reprocessed with no further action by the provider.
