

Optum Incorrect Rate Load

Date of notice: 6/9/25

Meridian has identified an issue where publicly available Fee-for-Service Calculator rates were inadvertently loaded in error by our vendor, Optum. The correct rates should be sourced from the MCO-specific calculators that were provided directly to each MCO. The impacted start date of service is 5/30/2025. The system is being updated, and all impacted claims will be reprocessed with no further action by the provider.
