

**Waiver Code Overpayment**

**Date of notice: 6/30/23**

Previously, HFS had requested an increase to the Elderly Waiver Homemaker service to increase the rate on 3/1/23 to \$26.92. Meridian implemented this change and subsequently received notice on April 25, 2023, that the effective date of the rate would be adjusted to 4/1/2023. Meridian has sent notification to provider who may have been overpaid for March dates of service.
