

## New Provider Rosters

MARCH 2021

ILLINOIS

Dear Provider,

Our Illinois market is undergoing a massive roster and directory reconciliation project to clean up and ensure all platforms and directories accurately display provider information. This includes demographic information, as well as specialty and product affiliation.

### What do we need from you?

We need ALL providers to complete and submit a full provider roster found on **iamhp.net/providers**. Make sure your roster is complete and includes:

- All facilities
- Group locations
- Practitioners affiliated with your contract

### Why are new rosters needed?

The quality of the information that gets loaded in the market database ultimately affects:

- Membership assignment
- Claims payment
- Utilization management
- Member access
- Directory accuracy

### When are rosters needed?

All providers must complete and submit a full provider roster to **providerrosters.il@mhplan.com** by March 12. Include the **name of your facility** and **which plans you serve as a provider for** in the email subject line.

Sincerely,

Meridian
